## **Cottage Food Business Prepackaged Food Labeling Requirements**

- The name and address of the cottage food business;
- The name of the cottage food product;
- The ingredients of the cottage food product in descending order of the amount of each ingredient by weight;
- The net weight or net volume of the cottage food product;
- Allergen information as specified by federal labeling requirements;
- Nutritional information as specified by federal labeling requirements, if any nutritional information claim is made; and
- Printed in 10 point or larger type in a color that provides a clear contrast to the background of the label: “Made by a cottage food business that is not subject to Maryland’s food safety regulations.”

*Approved Cottage Foods:* Non-potentially hazardous hot-filled canned acid fruit jellies, jams, preserves, and butters listed in COMAR 10.15.03.27, Non-potentially hazardous baked goods and Non-potentially hazardous hard candy.
