FOR IMMEDIATE RELEASE:

JANUARY 4, 2017

LOCAL HEALTH IMPROVEMENT ACTION PLANS UPDATE

FREDERICK, MD – The Frederick County Health Care Coalition Board of Directors is hosting an evening presentation of the Local Health Improvement Action Plans on February 21, 2017 to present goals, objectives and strategies for improvement of the top three health priorities for health improvement established during a Summit in September 2016. These priorities are Adverse Childhood Experiences, Behavioral Health and Senior Support.

The presentation will be free and open to the public, and will be held at the C. Burr Artz Library Community Room located at 110 E Patrick St, Frederick, MD 21701 from 5pm-6:30pm. The agenda is outlined as follows:

Agenda

- I. Welcome & Introductions
- II. Work Group Action Plan Presentations
 - a. Adverse Childhood Experiences (ACE's)
 - b. Behavioral Health
 - c. Senior Support
- III. Adverse Childhood Experiences Presentation
- IV. Wrap-up

Additional information concerning the Local Health Improvement Process is available at <https://md-frederickcountyhealth.civicplus.com/315/Local-Health-Improvement-Process> .

For further information contact Dr. Barbara Brookmyer, Health Officer, at the Frederick County Health Department at 301-600-2509 or via e-mail at Bbrookmyer@FrederickCountyMD.gov.
