HEALTH DEPARTMENT AND FREDERICK REGIONAL HEALTH SYSTEM CONDUCTING HEALTH SURVEY

FREDERICK, MD – The Frederick County Health Department and Frederick Regional Health System are asking all Frederick County residents to take a short survey about community health issues in Frederick County, Maryland. This online survey is part of the community health needs assessment process and the information shared in it will be used to identify health priorities and efforts for the next several years.

All county residents are encouraged to take this anonymous survey. It should take about 10 minutes to complete. The survey will be open until August 31, 2018 and is available here:

- **English survey:** bit.ly/YourHealth2018
- **Spanish survey:** bit.ly/TuSalud2018

For information about previous community health assessments, go to <http://health.frederickcountymd.gov/455/Community-Health-Assessment>. Information about the Local Health Improvement Process is available at <https://md-frederickcountyhealth.civicplus.com/315/Local-Health-Improvement-Process>.
