Post challenge on LiveWell Frederick website 5. Manage challenge 	<p>Youth Obesity sub-committee; Carlo Alfano; TBD</p>	<ol style="list-style-type: none"> 1. 6/30/2020 2. 6/30/2021 3. Done 4. Done 5. 6/30/2022

**FCHCC CHRONIC HEALTH WORK GROUP
Diabetes Subcommittee
Action Plan**

Vision Statement: Together, achieving a healthier Frederick County.

GOAL 3: Increase participation and retention in local evidence-based lifestyle change programs for people with prediabetes or diabetes, especially in underserved groups, in order to see an eventual decline in the number of new diagnoses of Type 2 Diabetes and/or complications.

Members of Diabetes Subcommittee: Crissy Barry, Angela Blair, Matt Burgan, Patricia Cash, Manny Casiano, Elizabeth Chung, Rebecca Conrad, Jennifer Cooper, Judy Couillard, Kitty Devilbiss, Janet Harding, Jordan Heerbrandt, Claire Hudson, Janet Jones, Terri Kemmerer, Heather Kirby, David Liddle, Sara Littleton, Rachel Mandel, Suzanne Markowitz, Beth Mowrey, Linda Ryan, Mehrnoosh Samimi-Gharai, Martin Sarkar, Emily Spear, M. Sullivan, Diane Tomasky, Anne Williams

Objective	Action	Person(s) Responsible	Deadline/Status
1. Assess the prediabetes/diabetes landscape in Frederick County, with a health equity lens.	Coalition and other community members will collaborate with the Frederick Regional Partnership’s HMA Consultants in the mapping of the local diabetes landscape through identification of local prediabetes/diabetes hotspots, disparities, and high risk populations.	-Coalition, subcommittee and community members -Drew Hawkinson, HMA consultant -Crissy Barry, Frederick RP Coordinator/Diabetes Subcommittee Lead	In progress
2. Assess current diabetes prevention and management programs, and related resources, in the county.	Coalition and other community members will collaborate with the Frederick Regional Partnership’s HMA Consultants by participating in data collection interviews and by connecting them with local providers of evidence-based lifestyle change programs, including DPP, DSMT, and DSMP, primary healthcare providers, and CBOs that serve the low-income populations.	-Coalition, subcommittee and community members -Akiba Drew, HMA consultant -Crissy Barry, Frederick RP Coordinator/Diabetes Subcommittee Lead	In progress
3. Identify barriers to enrollment & retention in diabetes prevention & management programs	Conduct focus groups to identify barriers to participation in DPP and DSMP programs with: A. Community Health Workers (CHWs), both English and Spanish speakers B. Past participants of DPP and DSMP programs, including those that completed the program and those that did not.	TBD	November 2021
