

Frederick County Local Health Improvement Plan 2014 Disparities Workgroup Action Plan, updated Oct. 2015

Priority Area: Although many people and groups are interested in adult dental care, no one person or group has a comprehensive view of related services and activities.

Goal 1: The Frederick County Local Health Improvement Plan will contain objectives related to health disparities

Objectives	Key Actions	Who	By When
Objective 1: By October 2014 all FC LHIP Work Groups will have at least one health disparity reduction objective in the work group action plan.	1. Educate the LHIP workgroups about health disparities at a fundamental level and explain the rationale for including a goal relating to disparities in their work plan.	Janet Harding/Barbara Brookmyer	July 30, 2014/ (communicated at Board meeting)
	2. Identify data in the 2014 Community Health Assessment indicating health disparities	Adriana Roa/Todd Johnson	July 1, 2014 (done, presented to Coalition Board)
	3. Identify which of the health disparities may fall under the subject area of other LHIP Work groups	All members: Road, Corcoran, Teng, Chung, Dobson, Brookmyer, Ellis, Reis, Mohiuddin	10/30/2014
	4. Survey work groups on their current inclusion of health disparity reduction goals in their action plans and solicit feedback as to how this LHIP WG can best serve the other work groups	Janet Harding	9/30/2014
	5. Identify potential tools and resources to address health disparities of interest to each of the LHIP WGs	Adriana Roa, Jaime Corcoran	10/30/2014
	6. Draft and provide to each LHIP workgroup draft objectives and key actions for consideration of inclusion into their LHIP action plan.	Dental: Miriam Dobson, Christina Reis Behavioral Health – S. Mohiuddin, B. Brookmyer Education Support: Elder Ed: Elizabeth and Adriana Adult Education: Janet Youth: Miriam and Jaime Elder Support: Yun	Dental done – May 2015; BH – completed May 2015; Health Ed – senior dropped all goals, adult – incorporated May 2015, youth – dropped all

			goals; Frail senior support – no goals finalized yet.
Goal 2: There will be increased awareness of the existence of health disparities in Frederick County and resources to address health disparities among county committees, coalitions, community organizations, social organizations, civic organizations, and community and faith-based organizations.			
Objective 1: By December 2015 provide 5 presentations of health disparities data and available resources to the groups listed in the goal.	<ol style="list-style-type: none"> 1. Develop slide presentation and talking notes from the 2014 Community Health Assessment, the FMH Community Health Assessment and other sources. 2. Distribute an announcement to contacts in the various categories listed in the goal statement offering to present data and possible strategies to reduce the health disparities 3. Based upon the audience identify someone from that community who would be able to also speak to actions s/he implemented for a similar target population. 	Yun Teng Miriam Dobson via e-newsletter All members to assist in identifying resources	Completed May 2015 and finalized October 2015 November 2015 March 2016
Goal 3: A Speaker's Bureau will be available to present health disparities information.			
Objective 1: By December 2015 provide 2 presentations to the general public on health disparities in Frederick County.	<ol style="list-style-type: none"> 1. Identify groups who will benefit or be motivated by a greater understanding of health disparities and their causes. 2. Develop slide presentation defining and illustrating the concept of health disparities and known factors attributed to health disparities. Include current statistics on health disparities as published in the LHIP report. 	All members Yun Teng; Rissah Watkins	May 2015 and ongoing Completed May 2015 and finalized October 2015
