Confirmed Deaths

147

Change in Last 24 Hours: +0

7-Day Positivity Rate

8.2%

Please check our dashboard for daily statistics: <http://FrederickCountyMD.gov/COVIDstats>.

County Executive:

To slow the spread of the COVID-19 virus, indoor social gatherings of all kinds should be limited to no more than 15 people in Frederick County, under a [joint advisory](#) issued today by Frederick County Executive Jan Gardner and Health Officer Dr. Barbara Brookmyer.

In addition to the 15-person limit on gatherings, large indoor recreation establishments will have their capacities reduced as of 5 p.m. Friday, December 11, under Executive Order 07-2020. Indoor recreation establishments include bingo halls, bowling alleys, pool halls, roller and ice skating rinks, and social and fraternal clubs. A statewide restriction currently limits all indoor recreation to 50% capacity. If that reduced capacity limit would allow more than 50 people, the County order would then lower that facility's limit to 25% capacity. The 25% cap also applies in areas where food and beverages are served within those recreation facilities. The Executive Order can be found online at FrederickCountyMD.gov/Coronavirus.

Vaccine Planning – Priority Groups

Since COVID-19 vaccine will be available first in limited amounts, Maryland is following a tiered approach to vaccination. Below is a picture of the current priority groups in Maryland showing that vaccine will first be made available to healthcare workers, residents and staff of long-term care facilities, and first responders (Group 1A). Next it will be made available to people at significantly higher risk of severe COVID-19 illness (Group 1B).

Page 3/JIC

Group 2 will include people in critical, essential infrastructure roles and people at moderately higher risk of severe COVID-19 illness. The rest of the general population will receive vaccine as part of Group 3. Groups may change as vaccine planning continues.

Priority Groups

More information about COVID-19 vaccine can be found at the Maryland Department of Health [Frequently Asked Questions about COVID-19 Vaccine](#), which will be added to and updated weekly, and the [CDC FAQs about COVID-19 Vaccine](#).
