2. Actions on Mass OD event updates – Andrea Walker
Locally BHS division did inventory of Naloxone supplies and asked treatment providers to do the same. Deployed peer support specialists to engage individuals 1-1. Pushed out on social media about where to find Naloxone in community. Testing of substance indicated pure fentanyl. Treated as a crime investigation. There could have been an adulterant added but we don't want to speculate until tox screen confirmation results are final. Narcan distribution locations have been shared
3. Table top event update- Jessica Ellis
Frederick County will host a table top exercise. Invitation only. Purpose to strengthen coordinated response for overdose spike. Bring together key partners across public health, public safety, health care, harm reduction, and emergency response sectors. Event will be held on September 4 from 8:30 – 11:30. Hybrid format.
4. Presentation – Prevent Construction Suicide – Sonya Bohmann – Executive Director of the Construction Industry Alliance for Suicide Prevention.
5. MOOR Updates- Avery Meyer

Grant team still finalizing agreements. Block grants are all set. Micro grant opportunity for doing street based outreach or transportation related services.
