Frequently Asked Question: What is the difference between isolation and quarantine?

Answer: Quarantine keeps someone who might have been exposed to the virus away from others. Because of the virus incubation period, this lasts for 14 days.

Isolation keeps someone who is infected with the virus away from others, even in their home. The shortest time this can be is 10 days.

Frederick County Board of Elections:

Frederick County, In-person Early Voting began October 26 and runs through November 2. Early Voting Centers are open from 7 a.m. to 8 p.m. until Nov. 2, but the best time to avoid lines is 10 a.m. to 3 p.m. on weekdays.

Residents may vote at any one of our Early Voting Centers. Find a complete list of centers here and more info: frederickcountymd.gov/PlanToVote

For more information:

Frederick County residents can call 866-411-6803 to reach our local 211 center with general questions about coronavirus or COVID19.

Accurate COVID-19 information is critical to the community. For the most current and accurate information about this situation, please refer to the following:

###

Simple. Easy. Effective.
...and still very important.

Wear a face covering in public

Keep a 6ft physical distance

Wash your hands often

Avoid crowds

Opt for the outdoors

#lovefrederick

Sencillo. Fácil. Efectivo.
... y sigue siendo muy importante.

Use una cubierta facial en público

Mantenga una distancia física de 6 pies

Lávese las manos con frecuencia

Evite las multitudes

Opte por el aire libre

#lovefrederick
