301-600-7662 • TTY Use Maryland Relay

FOR IMMEDIATE RELEASE:

### Frederick County Agency Updates for April 8, 2021

Frederick, MD – April 8, 2021

Note: The number of doses of vaccine given includes all vaccinators in the county except for CVS/Walgreens vaccinations at nursing home and assisted living facilities. County residents are being vaccinated by vaccinators across the state, which is why the number of people vaccinated exceeds the amount of vaccine the Frederick County Health Department has received.

Please check our dashboard for daily statistics: <http://FrederickCountyMD.gov/COVIDstats>.

## Frederick County Update

**Mobile Vaccination Clinics:** the Health Department is working on taking COVID-19 vaccinations out to different parts of our community where vaccination rates are currently lower. Here's a summary of some places we've already been to and where we're planning on going:

Already Done!	Working on!	Working on!
3/15 – Asbury United Methodist	4/10 – Asian American Center of Frederick	Brunswick
3/30 – St. Johns Evangelist	TBA - Love for Lochlin/ I Believe in Me	Emmitsburg
4/3 – First Missionary Baptist Church	TBA - Asbury United Methodist	Myersville
4/7 – Housing Authority of the City of Frederick	TBA – Jackson Chapel	Libertytown
	TBA – International Community Church	

**Vaccines are free!** Marylanders CANNOT be billed for COVID-19 vaccinations regardless of which vaccine they receive. See more details [here](#).

**Monoclonal antibody treatment:** Monoclonal antibody treatment has been shown to reduce the severity of symptoms and prevent hospitalization in people with mild or moderate symptoms of COVID-19. Treatment is available for Marylanders who are at high risk for serious illness from the virus. If you test positive for COVID-19, talk with your health care provider as soon as possible to determine if monoclonal antibody treatment is right for you.

## Frequently Asked Question

Q: I lost my COVID-19 vaccination card, how can I get a replacement?

A: Contact your vaccination provider directly to access your vaccination record. If you were vaccinated in Maryland, you can access your vaccination record through the state's system ImmuNet: <https://md.myir.net/>.

### Currently Eligible in Maryland and Frederick County

**Tuesday, April 6**, all Marylanders 16 and older are eligible to get vaccinated **at mass vaccination sites**.

**Monday, April 12**, all Marylanders 16 and older will be eligible to schedule appointments and get vaccinated through all providers. **Please note that the health department primarily has Moderna vaccine, which is approved for people 18 years and older.**

A no-appointment walk-up line is available at the Hagerstown Premium Outlets site starting Tuesday, April 6. Marylanders should be aware that the process for the no-appointment lines will take longer, and there is no guarantee of receiving a vaccine. **Frederick County Health Department clinics still require appointments!**

**Individuals Age 16 and 17** should only be signed up for vaccination clinics that are providing the Pfizer-BioNTech vaccine, which is the only one currently authorized by the FDA for ages 16 and older. If you are looking for Pfizer vaccine, please check <https://vaccinefinder.org/>.

### Upcoming Events

We are pleased to announce that our Health Officer, Dr. Barbara Brookmyer, is participating in this Town Hall meeting hosted by the Maryland Public Health Association. The focus is addressing the current state of the COVID-19 vaccine roll out in Maryland. This free event is scheduled for tomorrow, April 9 at 4:30pm-6pm and is open to the public.

Join the discussion on Zoom
