## **COVID-19 Vaccinations Authorized for Children 5-11 Years Old**

**FREDERICK, MD --** The Food and Drug Administration (FDA) and the Centers for Disease Control and Prevention (CDC) have given emergency use authorization for Pfizer COVID-19 vaccine for children who are 5-11 years old.

COVID-19 vaccine for children 5-11 years old will be available in a variety of ways:

- Frederick County Public School (FCPS) elementary schools, appointments required.
  - FCPS will be announcing the locations and dates of the clinics.
  - Students do not have to attend the school where vaccination clinics are being held.
  - FCPS will send out details about these clinics through [Find Out First](#).
- Health Department vaccination clinics specifically for children 5-11 years old will be held at 800 Oak Street (entrance off Himes Ave.) in Frederick, MD, appointments required.
  - Saturday, Nov. 13 from 2-5pm. [Click to schedule](#).
  - Saturday, Nov. 20 from 2-5pm. [Click to schedule](#).
  - More will be posted on [FrederickCountyMD.gov/CovidVaccine](#).
- Parents are encouraged to check with their pediatricians on scheduling an appointment at their child's medical home.
- Other vaccine clinic options are listed at [marylandvax.org](#) or [vaccines.gov](#).

**All children will need to be accompanied by a parent or guardian to receive their COVID-19 vaccination, including at school clinics.** Vaccines are free and insurance is not required. COVID-19 vaccine is not authorized for children four years old and younger at this time.
