FOR IMMEDIATE RELEASE:

### Frederick County Agency Updates for May 4, 2020

Frederick, MD – May 4, 2020

#### Health Department:

The Health Department is now reporting 1069 positive cases of COVID-19 and 68 deaths. For more information, please visit [health.frederickcountymd.gov/coronavirus](http://health.frederickcountymd.gov/coronavirus).

Check out these [tips](#) to help you stay healthy when running essential errands to places like grocery stores or pharmacies to shop for personal needs and refill prescriptions, restaurants to pick up takeout, and the doctor's office.

Injuries and illnesses that are not related to COVID-19 are still happening. If you can't recover at home and telemedicine isn't an option, a trip to a doctor's office, urgent care, or emergency department is an essential errand. Please get the care that you need.

#### JIC:

The weather is getting nicer and we're all ready to be outside, but please remember that the Governor's Stay at Home Order is still in effect. State, county, and municipal parks are open for you to use individually or with your household members. Enjoy the spring weather at a safe distance from others: stay 6 feet apart. We want everyone to be safe and healthy. Together, we will get through this.
