FOR IMMEDIATE RELEASE:

Frederick County Agency Updates for June 23, 2020

Frederick, MD – June 23, 2020

Health Department:

The Health Department is now reporting that 2,419 (+12 in 24hrs) residents have tested positive for COVID-19 and 109 (+0 in 24hrs) people have confirmed COVID-19 as cause of death. For more statistics, please visit <http://FrederickCountyMD.gov/COVIDstats>.

COVID-19 is not over. While we are seeing decreases in our number of cases locally, many states are seeing large increases recently. COVID-19 remains a threat to many in our community, particularly those with underlying chronic conditions and those who live or work in settings where it is difficult to practice physical distancing.

Wearing a face covering is a simple action that helps prevent transmission and protects others. When combined with physical distancing and hand washing, face coverings provide protection against COVID-19. Please do your part to protect our community. #LoveFrederick

Frederick County Public Schools

FCPS has posted draft academic calendars for 2021-2022 and 2022-2023 school years online for public review and comment. FCPS encourages the community to review calendar information at www.fcps.org/calendarcomments and complete the feedback form to record and submit comments through Friday, July 24.

Calendar Committee members will present the draft calendars and community feedback to the Board of Education on Wednesday, August 5. The Board is scheduled to act on the calendar during the August 5 regular meeting.
