Update on Assisted Living Facilities

Governor Larry Hogan today announced a plan to allow safe and phased reopening for Maryland's assisted living facilities. This plan requires universal screenings and face coverings for staff and visitors, mandates widespread testing, and allows for limited visitation. Assisted living facilities must meet a series of prerequisites to begin relaxing any restrictions. Once the facility has met the prerequisites, limited visitation is allowable with certain limitations. Read the Maryland Department of Health's [order](#) and [guidance](#).

Frederick County Health Department's long-term care facility nurse liaisons are working closely with each facility in the County to assist them with meeting the prerequisites needed to begin relaxing restrictions for limited outdoor visitation.

Ready to Celebrate July 4th?

As local celebrations may be starting this weekend, please remember to wear your face coverings, stay 6 feet away from people outside your household, be careful lighting fireworks, and have fun!

- If you attend a public display, remember to physically distance, wear a face covering, and bring hand sanitizer
- Watch a public fireworks display from your car
- Follow all Frederick County fireworks laws and safety guidelines
