**Frederick County Complete Count Census Committee:**

The 2020 Census deadline is September 30, so time is running out! If you haven't completed the 2020 Census yet, you can still respond online, by phone, or by mail. If a census taker comes to your home, please cooperate.

Census results shape the future of communities, as census data informs how billions of dollars in federal funds are distributed for health clinics, school lunch programs, disaster recovery initiatives, and other critical programs and services for the next 10 years. It also is used to determine how much vaccine we get for public health responses!

Go to [my2020census.gov](https://my2020census.gov) or call 844-330-2020 (English) or 844-468-2020 (Spanish) to ensure Frederick County gets its fair share of resources and funding.

**For more information:**

Frederick County residents can call 866-411-6803 to reach our local 211 center with general questions about coronavirus or COVID19.

Accurate COVID-19 information is critical to the community. For the most current and accurate information about this situation, please refer to the following:
