FOR IMMEDIATE RELEASE:

Frederick County Agency Updates for April 15, 2021

Frederick, MD – April 15, 2021

Note: The number of doses of vaccine given includes all vaccinators in the county except for CVS/Walgreens vaccinations at nursing home and assisted living facilities. County residents are being vaccinated by vaccinators across the state, which is why the number of people vaccinated exceeds the amount of vaccine the Frederick County Health Department has received.

Frederick County COVID-19 Vaccination Updates

Frederick County Health Department (FCHD) announced today that they will be changing the process to register for a COVID-19 vaccination. Individuals who are 16 years and older can pre-register for the COVID-19 vaccine at the Maryland statewide pre-registration system <https://onestop.md.gov/preregistration>. FCHD will continue sending appointment invitations to individuals who previously completed the Frederick County Vaccine Interest Form until everyone on that list has been offered an appointment.

How to Schedule an Appointment

- Pre-register at <https://onestop.md.gov/preregistration>
- Text MDReady to 898-211 to get updates about state mass vaccination sites and vaccine availability.
- [Unsubscribe](#) from the Frederick County Vaccine Interest Form when you've been vaccinated.

Currently Eligible in Maryland and Frederick County

All Marylanders 16 and older are eligible to schedule appointments and get vaccinated through all providers. **Please note that the health department primarily has Moderna vaccine, which is approved for people 18 years and older.**

The Hagerstown and Salisbury mass vaccination sites are offering walk-up, no-appointment vaccinations. A limited number of approximately 200 slots will be available each day from 10 a.m. to 2 p.m. For site location information, visit <http://covidvax.maryland.gov>. Marylanders should be aware that the process for the no-appointment lines will take longer, and there is no guarantee of receiving a vaccine.

Individuals Age 16 and 17 should only be signed up for vaccination clinics that are providing the Pfizer-BioNTech vaccine, which is the only one currently authorized by the FDA for ages 16 and older. If you are looking for Pfizer vaccine, please check <https://vaccinefinder.org/>.
