## **Back to School Vaccinations for Children**

FREDERICK, MD -- The Frederick County Health Department (FCHD) will be hosting Back to School vaccination clinics from August 6 to October 29 for children who do not have health insurance, have health insurance that does not cover the cost of immunizations, or who are unable to get vaccinated by their healthcare provider. Vaccinations will be given to these children at no cost. Appointments are required. Call **301-600-1733** to request an appointment or follow this link:

<https://frederickcountymd-immi-training.app.transform.civicplus.com/forms/40373>

Children who have health insurance that covers vaccinations are encouraged to see their healthcare provider for any vaccines.

Maryland State Law (COMAR 10.06. 04.03) requires all students enrolled in pre-kindergarten through 12<sup>th</sup> grade to receive age-appropriate immunizations. The Maryland vaccination requirements for the 2025-2026 school year are available [here](#).

School vaccination requirements help protect children by making sure they are protected against vaccine-preventable diseases. Children who are not vaccinated can spread diseases to others, particularly to those who are too young to be vaccinated, or people with weakened immune systems, such as those with cancer. Schools must have proof of vaccinations before allowing a student to begin school. Students who have not received the required vaccinations may be unable to attend school until proof of vaccination is provided, according to Maryland requirements.

### **Important information for Parents/Guardians:**

- Children 17 years of age and younger must be accompanied by an adult 18 years of age or older.
- If parent or guardian will not be bringing their child, they must send a written note giving the individual bringing the child authorization to have the child vaccinated.
- All vaccinated children are required to remain at the clinic for observation after vaccination.
- Only one parent or guardian may accompany children who have an appointment. Additional people will not be admitted.
- Please DO NOT come to the vaccination clinic if child or parent/guardian is ill.
