

Know a student who  
could benefit from  
improved engagement  
and attendance?

# Family Care Coordination

## Supporting Students & Their Families

We help students get back on track with school attendance and classroom engagement by:

- Assessing areas of family and student strength and need.
- Providing access to services and resources.
- Sharing motivational tools to decrease struggles with school and increase active participation.
- Offering strategies that will lead to improved school attendance.
- Supporting helpful communication between families and the school.

## Who is Eligible?

Selected school teams with parent input refer students who have poor attendance and engagement in school.
