Childhood Home Health Program:

For Children with
**Asthma or Lead
Exposure**

Why this program?

Lead exposure and asthma are common concerns in Frederick County.

We offer free home visits to provide resources, education, and cleaning products.

Who is eligible?

⇒ Children **18 and under**

⇒ Diagnosed with:
high blood lead levels or moderate to severe asthma

⇒ You have **Medical Assistance** (Medicaid or MCHP)

⇒ Call **(301) 600-3326** for more information

What to expect...

Review of your doctor's advice, such as: Action Plan

Referrals to community resources

Education on safe ways to remove lead or asthma triggers

The program is free

Free cleaning supplies to eligible families

Your child is at risk, if...

Your child -

Coughs, wheezes, and has a hard time breathing **2+ days per week**
Wakes up at night coughing, wheezing, and is having a hard time breathing **2+ times per month**
Uses a rescue inhaler **daily**

Your home has -

- **Leaky pipes/water damage**
- **Holes in the wall**
- **Chipping/peeling paint**

- **Pests**
