FOR IMMEDIATE RELEASE:

OCTOBER 17, 2019

MARYLAND DEPARTMENT OF HEALTH ISSUES A REQUEST FOR PROPOSALS FOR STATE OPIOID RESPONSE

FREDERICK, MD – The Frederick County Health Department is accepting applications from eligible community partners to support Minority Outreach and Technical Assistance (MOTA) Partners, Faith-based and Community-based Organizations. The purpose of this grant is to address Maryland’s opioid crisis by implementing new and innovative initiatives to provide outreach, information, education on opioid use, and training on educational prevention strategies, including naloxone/Narcan use and distribution, harm reduction services, health education and referrals/linkages to treatment, recovery, and other supports.

Applications will be reviewed by the Frederick Local Behavioral Health Authority, Frederick County Health Department and the results submitted to the Maryland Department of Health (MDH) for funding determination. Projects approved by the MDH’s Behavioral Health Administration will enter into a funding agreement with the Frederick County Health Department.
