

Awareness Action Plan			
<p>Vision Statement: Frederick County is a community where:</p> <ul style="list-style-type: none"> • children are safe, stable and nurtured; • families are connected to resources that allow them to thrive and prosper; and • environments are inclusive, welcoming, and trauma informed. 			
<p>Goal 2:</p> <p>All sectors of Frederick County (<i>including but not limited to healthcare, government, judicial and law enforcement, education, daycare, housing, employment, business, civic groups, religious groups and parent networks</i>) will recognize the impact of trauma on health from preconception through old age, and provide or support services for raising healthy children in safe, stable, nurturing environments.</p>			
<p>Members: Hannah Cobb, Malcolm Furgol, Nancy Boyd, Sara Rogers, Pat Rosensteel</p>			
Objective	Action	Person(s) Responsible	Deadline/Status
1. Adopt a shared language and understanding	<ol style="list-style-type: none"> 1. Share and implement best practices on the language used in messages and communication used to address ACEs. Terms to discuss include resiliency and defining what “safe, stable, and nurturing environments” means. 2. Identify civic and community groups to provide additional outreach on ACEs 3. Develop audience-specific versions of the ACEs infographic designed by the Leaders On Loan program, if and when appropriate. Seek funding for printing and disseminating infographics. 	<p>Pilar Olivo, CAC</p> <p>Awareness Subcommittee</p> <p>Malcolm Furgol, UW Sara Rogers, FMH Pat Rosensteel, COIPP</p>	<p>Ongoing</p> <p>Ongoing</p> <p>December 2020</p>
2. Educate families and pregnant mothers about resources available to prevent and mitigate the impact of ACEs, and provide support,	<ol style="list-style-type: none"> 1. Explore innovative communication and social media strategies and technologies to recommend to service providers 2. Refer audiences to the ACEs website as appropriate <ol style="list-style-type: none"> a. Increase clicks through to the ACEs website 3. Promote resources available through 211 4. Provide Resiliency films screenings for continuing public 	<p>Awareness Subcommittee Katherine Murray, FMH</p> <p>ACEs Workgroup members</p> <p>Patty Morison, MHA</p>	

Frederick County, MD— ACEs Workgroup

including screening	education 5. Leverage ACEs Workgroup members events and activities to distribute ACEs educational materials 6. Work with FCPS admin staff, PTAs, Judy Centers, Women2 Women Mentoring to raise awareness about ACEs	ACEs Workgroup	
3. Educate city, county, state, federal elected officials on the need to address ACEs, in order to promote need for screening	1. Develop talking points for use by ACES Workgroup members to support workgroup recommendations 2. Distribute info packets/new infographic to all relevant officials 3. Coordinate with Prevention and Intervention subcommittees to advocate for government support for screening and universal home visiting, and consider opportunities for state-level advocacy as well. 4. Provide a symposium or forum about ACEs and the need for screening and universal home visiting for elected officials; seek a potential partnership with Citizens Services or with the MHA legislative breakfast.
