Frederick County Health Department Is Currently Vaccinating

Frederick County Health Department (FCHD) is vaccinating people who live or work in Frederick County in groups: 1A, 1B and people in 1C **born in and before 1951**. Over a 500 educators will be vaccinated this week.

- Process for 65-74 Group: FCHD is currently working to vaccinate people born in or before 1951 who have pre-registered with us through our Vaccine Interest Form on our website. Then we will offer appointments to people born in 1951, and so on down to people 65 years old.
- Process for Educators Group: This week, FCHD will hold one clinic for educators randomly selected from our Vaccine Interest Form list.

If you were born in 1951 or before, please call 301-600-7900 (English) or 301-600-7905 (Spanish) so that our Vaccination Appointment Line can help you schedule an appointment. It is open Monday – Friday, 8am to 5pm. *There is usually high call volume early in the week with long wait times!*

Other vaccinators in the county may be vaccinating all eligible groups in 1A, 1B, and 1C. Please check covidvax.maryland.gov to find a provider near you by zip code.

Update on COVID-19 Vaccine

22,650 total 1st doses of COVID-19 vaccine received by Frederick County Health Department to date.
1,800 1st doses of COVID-19 vaccine received by Frederick County Health Department this week.

Governor Hogan has directed state health officials to provide county leaders with four-week projections for vaccine allotments for their local health department clinics. **For the weeks 3/8/21 - 3/29/21, the Frederick County Health Department is expected to receive at least 1,800 doses each week of all Moderna vaccine.** This is the amount projected to be allocated to the Frederick County Health Department, but that could change based on what the federal administration provides Maryland.

Frederick County Health Department is required by the state to use our weekly vaccine allocation to:

- prioritize residents 65 years and older. *We are currently vaccinating people born in or before 1951.*
- use *at least* 100 doses per week to vaccinate Phase 1B educators. This includes *all licensed daycare providers, public and non-public K-12 schools, and higher education.*
- vaccinate at least one independent living facility/community a week. *1st doses are complete.*
- vaccinate at least one congregate living facility for people with disabilities (IDD or BH) or a DDA-funded provider that serves individuals with intellectual and developmental disabilities (IDD) a week. *1st doses are in progress.*

Currently Eligible in Maryland

People in groups 1A, 1B, and 1C are currently eligible in Maryland, but there is not enough vaccine for everyone who is eligible. Once your group is eligible, it continues to stay eligible.

Current Process for Frederick County Health Department

Anyone who lives or works in Frederick County who is interested in getting COVID-19 vaccine should complete the Vaccine Interest Form in the blue box on our [Vaccine webpage](#).

- **It may be several days, weeks, or longer until you are contacted since it depends on vaccine availability. You only need to complete the form once.**
- We will contact people who have registered on this form by priority group as we receive more vaccine.
- If you have already scheduled or received your 1st dose of vaccine, please [click this link](#) to unsubscribe from the list.
- The Health Department is in communication with medical providers to refer homebound individuals.

Other Frederick County Agency Updates

State's Attorney's Office: Maryland Courts moved to Phase IV of the Maryland Judiciary Reopening Plan Monday, March 15th. The State's Attorney's Office is open to the public.

The Maryland Judiciary has announced it will proceed to Phase V, full operations including jury trials on April 26th, 2021.

If you plan to visit the courthouse, please remember to wear a mask at all times, social distance, and be prepared for a COVID-19 screening prior to entering the building.
