## Updates from CDC

Level of Community Transmission in Frederick County, MD: SUBSTANTIAL

This week, the level of community transmission in Frederick County increased from Moderate to Substantial.

- Level of Community Transmission is based on the number of cases in the last 7 days per 100,000 population and the number of tests in the last 7 days that have a positive result.

In areas with substantial and high transmission, **CDC recommends that everyone (including fully vaccinated individuals) wear a mask in public indoor settings** to help prevent spread of Delta and protect others. Interim Public Health Recommendations for Fully Vaccinated People.

## Maryland Updates

Governor Hogan announced today a new vaccination requirement for state employees who work in congregate settings, including:

- Dept. of Health, State Health Care Facilities (11 facilities)
- Dept. of Juvenile Services (12 facilities)
- Dept. of Public Safety and Correctional Services (24 facilities)
- Dept. of Veterans Affairs (1 facility)

State employees in these facilities must show proof of vaccination or adhere to face covering requirements and submit to regular testing. This will take effect Sept. 1.

### State Public Health Mask Guidance:

- The Maryland Department of Health strongly recommends that all individuals who are not vaccinated continue to wear face coverings in all indoor settings outside of their home.
- Each childcare facility, youth camp, local school system, and authority may set their own policies regarding masks and face coverings.

## JIC Agency Updates

Frederick Community College: FCC is now requiring masks in all indoor College spaces, effective immediately. This decision is following guidance from local, state & national health officials regarding the COVID-19 pandemic and the Delta variant.

Frederick County Government: Frederick County Government buildings require masks for employees and visitors. This includes (but is not limited to) libraries, the Health Department, and on public transportation like the Frederick County TransIT buses.

Fort Detrick: Face coverings are required in all indoor locations on the installation.

**-more-**

**Frederick Vaccination Update**

All Marylanders 12 and older are eligible to get a COVID-19 vaccination. **Please note that only Pfizer is authorized for people 12-17 years old. Children must be accompanied by a parent or guardian.**

Frederick County Health Department has clinics in a variety of locations throughout the county. This list can be found at <http://frederickcountymd.gov/covidvaccine>. New links are added on Mondays.

- Schedule an appointment by going to <http://frederickcountymd.gov/covidvaccine> or call 301-600-7900 Monday – Friday, 8am-5pm, or call 301-600-7905 for Spanish.
- For other dates/times, check out [Frederick Health Hospital](#) and other [locations](#).
- If you need an in-home vaccination, please call 301-600-7900 to schedule.

**LYFT Ride Option:** Those who need a ride to get vaccinated can visit

[www.uwfrederick.org/rideunited](http://www.uwfrederick.org/rideunited) for more information or can call 301-600-7900 for English or 301-600-7905 for Spanish. The first \$25 of each one-way ride is completely free to the rider.

**Childcare option:** [KinderCare](#), [Learning Care Group](#), and [YMCA](#) are all offering free child care to help parents and caregivers get vaccinated. For more information, visit the provider’s website.
