

DON'T KNOW WHAT TO DO WITH NEEDLES OR SHARPS?

HOW TO DISPOSE OF NEEDLES AND OTHER SHARPS AT HOME

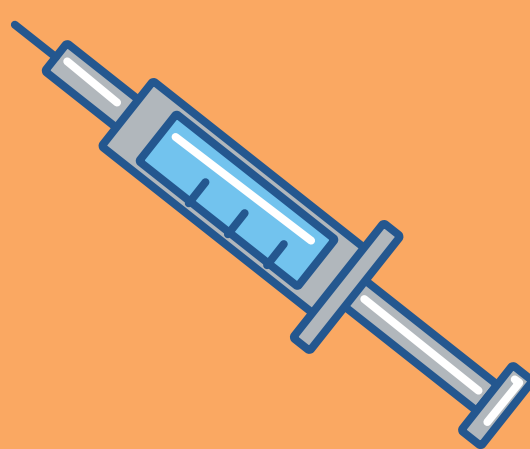

USE

an empty, heavy-duty plastic container with a tight-fitting lid that cannot be punctured or leak

PLACE

needles and other sharps in the container, close the lid and tape it shut. Label outside of container "SHARPS".

THROW

container in household trash for regular disposal.

DO NOT

put sharps containers in for recycling!
