What is naloxone?
It is a prescription medicine that reverses an opioid overdose. It cannot be used to get high and is not addictive. Naloxone is safe and effective; emergency medical professionals and doctors have used it for decades.

- ❖ Takes about 20 minutes to complete.
- ❖ You must be at least 18 years old to register.
- ❖ You must register with a Maryland zip code.
- ❖ You must complete the guided questions throughout the training.
- ❖ Certificate is *not* required to obtain naloxone at pharmacies.
