**RECOVERY IS FOR EVERYONE: Every Person,
Every Family, Every Community.**

Each September we celebrate our strong and proud recovery community for National Recovery Month. Our families are frequently a large part of the recovery process. This year, we invite you to make your families a part of our celebration too. Please join us for an evening of family friendly activities that allow all that are a part of the recovery process to celebrate recovery!

- DJ, music & outdoor games
- Personal Stories of Recovery
- Children's Activities, & face painting
- Community Resources & Food Vendors
