Tobacco Merchant Sales Compliance Check Update

FREDERICK, MD -- Between July 2022 and September 2022, the Frederick County Health Department's Merchant Sales Compliance Initiative conducted 12 tobacco sales compliance inspections. Of the 12 businesses checked, 7 passed and 5 were issued civil citations for non-compliance with state law. The complete report of businesses checked and the results is available on [our website](#).

These compliance checks are an effort to protect public health and promote health and wellness among our youth. The Frederick County Health Department's (FCHD) Merchant Sales Compliance Initiative aims to reduce underage access to alcohol and tobacco products by conducting random merchant compliance checks of businesses located in Frederick County. Funding for these activities is provided by the Maryland Department of Health.

Environmental strategies, including policy and enforcement efforts, are identified as effective strategies to prevent the misuse of tobacco and alcohol by youth, according to the Substance Abuse Mental Health Services Administration, Center for Substance Abuse Prevention. A compliance check is a tool to identify alcohol and tobacco retail establishments that sell alcohol and tobacco products, including e-cigarette products, to individuals under the age of 21. Compliance checks are effective in reducing retail access to these products.

In Frederick County, underage individuals assist in the execution of both alcohol and tobacco merchant compliance checks. All underage individuals possess their valid state-issued driver's license or identification card, which is provided to every
