## **Frederick County Board of Health Liaisons Selected**

**FREDERICK, MD** – The Frederick County Board of Health appointed two new liaisons on August 29, 2024. The following liaisons were approved and will serve for three years:

- Nurse – Dr. Jennifer Cooper
- Science related background – Dr. Scott Stanley

Continuing liaisons are:

- Chamber of Commerce member – Dr. Diana P. Castiblanco
- Epidemiologist – Dr. René F. Najera

Liaisons are volunteer roles. They will have no voting privileges and will not receive any compensation. Liaisons will serve for varying periods of time initially based on the number of applications received for each category. Terms will be from July 1 through June 30.

“Our community has so many highly qualified people and we are lucky so many are interested in serving in this way,” said Dr. Barbara Brookmyer, Health Officer for Frederick County and Executive Officer of the Board of Health. “These Liaisons will bring their unique perspectives to the Board of Health and we will all benefit from their experience and enthusiasm.”

Future openings for Board of Health liaisons will be shared on the Frederick County Health Department social media accounts (@FCHealthDept) and will be posted on the Board of Health website [FrederickCountyMD.gov/BoardofHealth](https://FrederickCountyMD.gov/BoardofHealth).
