- The January 2024 TAC minutes were approved as submitted.

### 2. Legislative Update from the Legal Resource Center

- Blair Inniss introduced Christopher Daffin who shared the latest tobacco-related legislative updates.
- SB244/HB236. Adds vaping to the Clean Indoor Air Act (CIAA) (includes tobacco and cannabis products). Requires signage indicating where and where not to vape. SB 244 received a favorable report with amendments on 3/7/24.
- SB220/HB42. Repeals the existing military exemption that allows 18 to 20-year-olds to be sold tobacco products. Brings Maryland State law up to date with Federal law. This bill passed the full Senate and House with a super-majority of votes. **It will become law October 1, 2024.**
- SB 1056/HB 1180. Conforms state law with federal law. “Retailers may only display tobacco products, including vapes but excluding premium cigars, behind the counter.” Retailers must verify a buyer’s age before selling tobacco products.
  - i. Requires MDH to conduct compliance checks of all tobacco retailers annually. Amendment to this bill would change to “MDH or designee” and would include only one check per year with follow-up check for violators.
  - ii. For Criminal Law 10-107 - Increases fines for first violation to \$500. Mandates ATCC to suspend for up to 90 days for second violation and up to 180 days for a third violation; and revocation for subsequent violation.
    - 1. Amendments make same changes to Health-General 24-305 and 24-307 (civil citations)
    - ii. Raises the retail license fee to \$300. Allows vapes to be sold exclusively by vape shop vendors. Allows vapes to be sold exclusively by vape shop vendors.
- SB987/HB1033. Requires vape manufacturers to be certified and pay certification fees. Requires OAG to create registry of certified vape manufacturers.
- HB141 – Electronic Smoking Devices – Licensure, Indoor Use and Taxation – Alterations. Hearing canceled.
- LRC Legislative Tracker – real time tracking of public health bill. Bi-weekly Zoom meeting updates. Email [publichealth@law.umaryland.edu](mailto:publichealth@law.umaryland.edu) to be added to the listserv.
- LRC Annual Conference – June 5. Stay tuned for more details.

# Frederick County - Tobacco and Alcohol Coalition Meeting

Virtual Format/Microsoft Teams

March 7, 2024

3:00 pm to 4:00 pm

3. Round Robin/Updates from Coalition Members – no updates shared.
4. SAMHSA “Prevention Day” experience (Tamir Shahid / Jeremy Gray) – not present.
5. Zyn Presentation / Update (P.J. Miller)
  - P.J. Miller provided a brief presentation on a tobacco product called “Zyn”. In short, these nicotine pouches have been on the market since 2014. Originally designed as an alternative to smoking. Lately the products are being used more as an energy stimulant that is popular among younger adults. Between 2019 and 2022, nicotine pouch sales have grown from \$216M to \$808M.
  - These cellulose pouches contain pharmaceutical grade nicotine, binders that help release the nicotine, flavors, and a pH buffer which also helps with the delivery of nicotine.
  - These pouches contain nicotine, which is highly addictive. Produces some of the same responses (increased heart rate, increased blood pressure) and nicotine withdrawal symptoms when the product isn’t being used.
  - Nicotine pouches are not an FDA-approved NRT product.
  - For more information about Zyn products, tobacco, e-cigs, cessation, reach out to P.J. Miller.
6. FCHD Prevention Program Updates
  - Tobacco Use Prevention and Cessation
    - i. The LWYW organization was awarded a Youth Prevention Mini Grant and is currently providing youth prevention using the [Stanford Toolkit](#). We have had some great turnouts to recent events and looking forward to upcoming events.
    - ii. Cessation Program Update (P.J. Miller)  
Cessation sessions are still ongoing with both virtual and in-person appointments. Continuing to partner with our local Sober living homes and mental health treatment facilities to offer services for their clients. Anyone who is interested or knows someone who may be interested in services, contact P.J. at 301-712-7277.
  - Tobacco Merchant Education and Enforcement
    - i. We have completed the Merchant Education visits for Frederick County. This is in large part due to the 2 Merchant Education mini-grantees, LWYW & AACF. We have approximately 250 businesses and we are thankful for the partnership with those organizations.
    - ii. Merchant Enforcement will be ramping back up now that we are finished with Merchant Education visits. We have had 21 violations so far in FY24.
